

AGN. NO. \_\_\_\_\_

MOTION BY SUPERVISOR ZEV YAROSLAVSKY

November 25, 2008

Within its boundaries, the Second Supervisorial District contains 20 local community parks that serve a diverse and heavily populated community in the southern unincorporated area of the County of Los Angeles. Many of these parks were built back in the 1960's, and consequently are in need of constant rehabilitation to ensure that they remain valuable assets for these communities.

Supervisor Yvonne Burke has worked tirelessly to secure the necessary funding to maintain and upgrade these parks and park facilities to enhance the quality of life through County park programs and the benefits of increased physical activity.

Supervisor Burke has focused on Kenneth Hahn State Recreation Area as a park of special importance and a vital asset to the community. During her tenure at the County, she has built three baseball fields, two soccer fields, and will soon be adding a batting cage facility. In addition, the County will construct a two-tier driving golf range as well as a putting green and a chipping area.

To recognize her accomplishments, residents from Ladera Heights, View Park and Windsor Hills are requesting to name the baseball field area at Kenneth Hahn State Recreation Area as "Yvonne B. Burke Sports Complex" in her honor, to commend and thank Supervisor Burke for her commitment to the parks of the Second District.
